AN OUT OF THIS WORLD EXPERIENCE

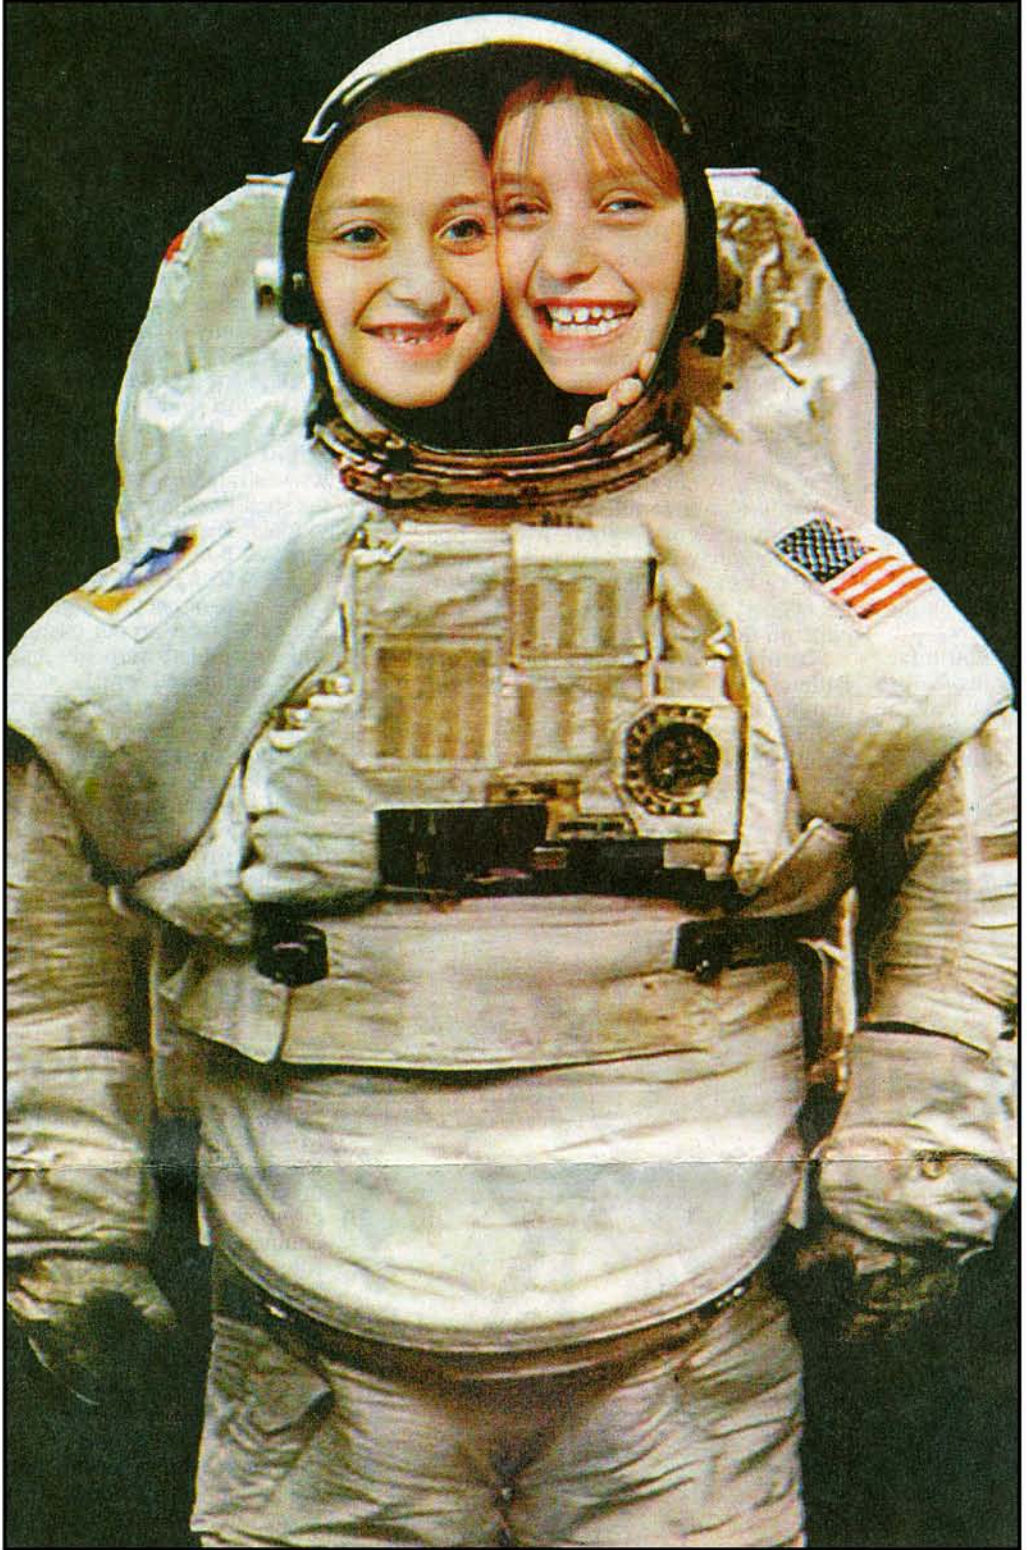

Photo by Scott McCloskey

The Children's Museum of the Ohio Valley presented their newest exhibit Friday which is titled "Planets and Stars and Me ... Oh My." Olivia Trouten, 7, left, and Elizabeth Sellers, 9, both of Wheeling decided to have a little fun and squeeze behind an astronaut cutout which is just one of many things on display to help children learn about space exploration through play. The museum is open Tuesday through Saturday, 10 a.m. to 5 p.m. Group rates, memberships, and birthday parties are available. For more information, call 214-5437.
